OUR TEACHINGS

BREAKING INVISIBLE BARRIERS

So many Christians live a life of struggle and defeat that they have accepted it as the normal Christian life. It has never been God's will for His children to live a life of frustration and constant struggle. Many Christians find that as they try to move ahead and live victorious lives, it is as if an **invisible hand** comes and stops them each time they are about to have a breakthrough.

- Did you know that marital strife, divorce and separation, not being able to keep a job, strained relationships with children, terminal diseases, mental illness and depression, can

- all be the end results of generational curses?
- Can a Christian be inhabited by an evil spirit?

BATTLING FOR OUR MARRIAGES

There are families where people do not get married. People come close to marriage but each time the engagement breaks up. Other people come from families where there are broken marriages, family strife and separation in every generation. We are beginning to see as many divorces among Christian couples, as there are among non-believers! Why is unfaithfulness and infidelity so rampant today? What is the invisible barrier that stands in the way of getting married, or having a God-honoring and joyful marriage? Does the Bible address these issues? Is it possible to break these barriers? Yes it is!

THE HEALING POWER OF JESUS CHRIST

Many Christians live with sickness and diseases believing that it is not God's will to heal them. They often are convinced that somehow their sickness will bring glory to God, or that God does not want to heal them. What a tragedy! Would you throw sickness and disease on your child to teach them a lesson? Healing and miracles were not reserved for the early church. God still heals today! Come and learn about the gateway to manifesting your healing, which was offered to us through the wounds and stripes of Jesus! Are you sick? Do you have friends who are sick? Are you barren? Come to this special meeting and experience the healing power of Jesus Christ.

BREAKING UNGODLY SOUL TIES

The Bible tells us, about the relationship between David and Jonathan, that their hearts were knit together - They had a "soul-tie".

- God designed for us to have healthy soul-ties, for example between husbands and wives, and between children and their

parents. Satan is however able to corrupt relationships so that we end up with ungodly soul-ties.

- These soul-ties can affect our lives negatively so that we are captives and unable to walk away from the influence of certain relationships - former lovers, dead spouse, former boss, or even school teachers.

In my teaching on 'Breaking Ungodly Soul-ties', we will find out how these unwanted ties are formed and how to break them.

WALKING IN THE SPIRIT

Many Christians go through life calling the Holy Spirit "It". While they know that He is important because He is the Third person in the "Trinity", they do not think that they have to deal much with Him. They connect Him only to speaking in tongues. Come and find out how it is the Holy Spirit who gives you anything you ask from the Father. After deliverance, it is impossible to live a victorious Christian life without a daily and vibrant walk with the Holy Spirit. What about speaking in tongues? Is it for a select few? These questions and more will be answered at the teaching.

LIFE AFTER DELIVERANCE

Many believers ask themselves this question after deliverance "*Now that I am delivered... what next?*" After deliverance, one is elevated to a higher level that is free of bondage. We have been set free to serve God within our calling and gifting. Welcome to our '*post-deliverance life*' Christian teaching session.

OUR BOOKS

STAND YOUR GROUND

Many Christians live a life of defeat, harassed and bombarded by their archenemy, Satan. They have not yet fully grasped that when Jesus Christ died on the cross, he completely and utterly defeated Satan! He took back the authority Satan used to deceive Adam and Eve, handing it to the Church. However, our strength is of no use if we don't know we possess it! This is the tragedy of our Lack of Knowledge.

HOPE FOR THE CHILDLESS

God designed that every womb He has created be fruitful. Why then do we have people who cannot have children? This book answers this question and shares the experiences of women who were not able to conceive or carry babies to full term, but today are mothers by the grace of God.

BREAKING INVISIBLE BARRIERS

Many Christians today are living a life of constant struggle and failure no matter what they do to try and improve their lot in life. They are fighting something they do not understand. This book explores these invisible barriers and how to break them by the Power of the Cross.

WHEN TWO HALVES MAKE A HOLE... Battling for Our Marriages

Behind every broken marriage is a fierce battle that was lost in the spiritual realm. Many people do not realize that from the moment that they say "I do" a raging battle starts whose sole objective is the break-up of the

OUR BOOKS

marriage. The Bible warns us that our enemy the devil prowls round like a roaring lion looking for someone to devour. We are told not to be a passive onlooker but to "Resist him... ." Thus battling for our marriage is not an option but a command.

UNGODLY SOUL TIES How to Identify and Break them

The Bible tells us, about the relationship between David and Jonathan, that their hearts were knit together - They had a "soul-tie". God designed for us to have healthy soul-ties, for example between husbands and wives, and between children and their parents.

Satan is however able to corrupt relationships so that we end up with ungodly soul-ties. These soul-ties can affect our lives negatively so that we are captives and unable to walk away from the influence of certain relationships. Find out how these unwanted ties are formed and how to break them.

STEP INTO THE SUPERNATURAL POWER Walking in the Holy Spirit

Although the Holy Spirit is present and busy in the whole Bible, most times He is relegated to the New Testament and more specifically, to the books of Acts after the Day of Pentecost. What was the Holy Spirit's role in the Old Testament? How is He recognized in the life of a believer? Is His presence in a believer the same as His presence upon a believer?

Is 'speaking in tongues' really necessary? What is the use of speaking to God in a language that we do not understand if we can speak to Him in a language that we understand? How does "speaking in tongues" benefit the people around me?

This book emphasizes the role of the Holy Spirit in spiritual warfare both on in the old and the New Testament. Without the Holy Spirit, we cannot know Jesus or God the Father. He has the full jurisdiction to move in and upon people on earth, to fulfil the will of the Father...
